

EAST DRAYTON VISION STATEMENT AND OBJECTIVES

VISION STATEMENT

East Drayton will continue to evolve as an inclusive rural village, with a distinct historical character, which enables its people and community to thrive.

OBJECTIVES

1. To ensure development reflects the Parish's limited facilities and infrastructure.
2. To ensure development is designed to a high quality that respects the materials, style and layout of its surroundings to protect and reinforce the positive character of the Parish.
3. To maintain the historic character of the built environment so that new development integrates with the existing built form to preserve its rural character.
4. To ensure that housing is varied in size and tenure to meet local needs for all age groups.
5. To protect and enhance the Parish landscape, its green spaces and surrounding open countryside and to recognise the value of long views and vistas into and out of the village.
6. To promote energy efficiency in new and existing buildings. To ensure new development minimises the use of carbon in its construction and operation.
7. To ensure that all our residents have the opportunity to thrive, by seeking opportunities to maintain and enhance the social and economic vitality of the village by protecting and enhancing existing services and facilities.
