Mulled wine, mince pies and soft drinks will be served at the end of the service.

#### DEFIBRILLATOR and CPR TRAINING

You may have noticed that we now have a new CAD in the village!! Our Community Access Defibrillator (part funded by the British Heart Foundation) has been installed in the adopted village phone box on Top Street. A huge THANK YOU to the generous donors who "topped up" our grant, to the volunteers who painted the interior of the phone box, security marked and installed the equipment and to

the Parish Council for organising this lifesaving asset for our village.

(continued over....)

CPR TRAINING will be organised in the New Year and many thanks to those who have expressed an interest in participating. You will be contacted with details of dates and times, as it will be necessary to run at least two sessions, such has been the interest in this opportunity.
