BLUE BELL INN

Pubs continue to close at the staggering rate of 4 per day and a total of 514 pubs have now closed in Nottinghamshire.

Against this depressing trend, it is great to report that **The Blue Bell Inn** has just re-opened with new landlord Paul Jones, his wife Mandy and daughter Ebony in charge. The pub was really buzzing on opening night and Paul will be circulating a flier in the near future to tell us all about the development of their menus, opening hours and special offers etc.

DANCE FITNESS

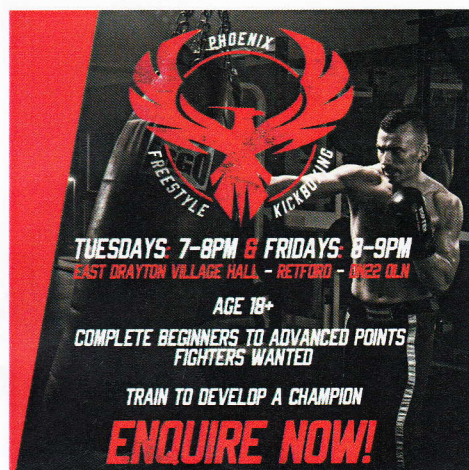

Yes they're back !! →→

Regular Monday sessions will recommence in the Village Hall at 10.00am on 10th September. Everyone is welcome, so come along, have a laugh, dance yourself fit and make new friends.

Details from Janet on 248613

And still on the fitness theme, don't forget about **KICK BOXING** in the Village Hall.....

Phoenix Freestyle Kickboxing club has now been running for four months. Head coach Darren Worrall has been extremely impressed with the progress of club members in such a short time. The club is for anyone 18+ who wants to have a go at martial arts. Club members are finding that initial personal expectations are being exceeded and some are now getting ready to start sparring, which will be awesome! If you want to be part of a martial arts team, then Darren wants to hear from you.....

Finally, we are still committed (or we should be!) to running a winter season of monthly film shows in the Village Hall from October - with our big('ish) screen and super new sound system now in place....

Once we've overcome the licensing hurdle, we will circulate a flier giving full details of the programme and timings etc

If you have any comments, items for inclusion, special birthdays, anniversaries etc, please send them to Hugh Mackintosh at Woodbeck House, Low Street, Tel 249127 or by email to chrisnhughm@gmail.com
